Education

High School

Sekolah Datuk Abdul Razak

2017 - 2022

Started as a SDARian on 4th of January 2017. Throughout the years I had attended numerous events and competitions. As an example, I was the school captain for cricket in the final years of my high school. Other than that, I got 8As and 1B for PT3 and for SPM I achieved 5As and 4Cs. I was also a member of the Gavel club and was an active member of the innovation team.

Diploma In Computer Science

Universiti Teknologi Mara cawangan Kedah

2022 - 2025

Finally I got to pursue my dream course which is computer science. I got the passion to dive deep in the world of coding after watching the movie "The Social Network". The movie made me curious on what I can do more with coding. As of right now I am maintaining a CGPA above 3.0 .

Bachelor of Statistics in Data Analytics (Honours)

Universiti Teknologi Mara cawangan Shah Alam **2025 - Present**

2 for 2! All praises to Almighty, I got my first choice to further my studies. I like playing with numbers. Being a race engineer or a strategist that plays with data is really interesting to me.
